

**FEDERATED STATES OF MICRONESIA
STATE OF KOSRAE
RESEARCH SERVICES ON U.S GRANT PROGRAMS**

REQUEST FOR PROPOSALS (RFP)

Interested firms and individuals are invited to submit Proposal and Statement of Qualifications to conduct research and report to State Government of Kosrae on any available grants with U.S Government that Kosrae State may be or may become eligible for.

SCOPE

The State Government of Kosrae is seeking assistance in identifying any available grant funds to supplement its Compact Grant Funds. The duration of this service is on limited term of one year with options for extension. The State Government of Kosrae shall have the option to request the contractor to prepare grant proposals with additional fee as negotiated.

PURPOSE

The purpose of this solicitation is to have the most appropriate and qualified firm or individual to conduct research and advise the State Government of Kosrae on available U.S Grant funds and make recommendations for potential projects and programs for considerations under the grant fund.
