

Operation Migration (United States and Canada)

Operation Migration is a founding member of the Whooping Crane Eastern Partnership, a coalition of nine public and private agencies that were organized to reintroduce a self-sustaining population of Whooping cranes (*Grus Americana*) into their historic range in eastern North America. Since 2001, eight generations of Whooping cranes have been taught to migrate in an effort designed to develop a self-sustaining population of the endangered species.

Nominated by the U.S. Fish and Wildlife Service
