

**THIRD JOINT NOTICE TO SUCCESSOR LIQUIDATION TRUST AND  
CUSTODIAL TRUST FROM EPA, DOI, NOAA AND STATE OF NEW JERSEY**

This Third Joint Notice is provided by the United States Environmental Protection Agency (“EPA”), the Department of the Interior, Fish and Wildlife Service (“DOI”), the National Oceanic and Atmospheric Administration of the Department of Commerce (“NOAA”) and the State of New Jersey to the Successor Liquidation Trust and the Custodial Trust as established by Order of Court in the Fruit of the Loom Chapter 11 Bankruptcy, pursuant to Paragraph 3(d) of the Settlement Agreement approved by the United States Bankruptcy Court for the District of Delaware on August 9, 2002 (the “Bankruptcy Settlement Agreement”).

Under the Bankruptcy Settlement Agreement, the Successor Liquidation Trust was created as a mechanism to recover certain insurance funds and other monies that would be transferred to a Custodial Trust for funding of response action, response costs, and natural resource damages for the Seven Facilities, as approved by the Bankruptcy Settlement Agreement.

One of the Seven Facilities is the Ventron/Velsicol/Berry’s Creek Facility (the “Facility”) in or near Wood-Ridge and Carlstadt New Jersey. The Facility has two portions: the Wood-Ridge Site portion and the Berry’s Creek Area portion.

Pursuant to the First Joint Notice, sums of money were transferred to the following three accounts:

1. Wood-Ridge Site Response Sub-Account.
2. Berry’s Creek Area Response Sub-Account.
3. NRD NJ Sub-Account.

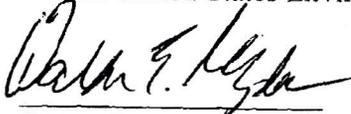

Pursuant to the Second Joint Notice, additional sums of money were transferred to the same three accounts.

The Custodial Trust is paying assessments as directed by the Berry's Creek Study Area Cooperating PRP Group (the "Group"). Additional funds are required to pay the current assessment and assessments to be determined in the future.

In order to provide funds to satisfy the assessments made and to be made by the Group and to provide for an equal allocation, the undersigned parties hereby agree to a third allocation of funds (the "Allocation") in the amount of \$3,000,000 to each of the three Sub-Accounts for a total distribution of \$9,000,000. This Allocation is without prejudice to any future determination of additional allocations.

All other funds held by the Successor Liquidation Trust and the Custodial Trust in the Ventron/Velsicol Berry's Creek Facility Account shall be held in trust as provided in the Bankruptcy Settlement Agreement and not released until further Joint Notice is provided.
